ADDWC Employee of the Quarter

Tim Smith, Maintenance Coordinator

Tim's passion for monitoring all of the buildings/grounds for ADDWC is evident every day. Most recently he has taken on the demanding project of renovating our new property soon to be a candy store. He has demonstrated a great deal of energy, knowledge and high level of construction skills. Tim's willingness to do much of the work himself is saving the agency a considerable amount of money. Tim has been putting in a considerable amount of time between the recycling facility, Maurie's and our CILA's and is doing a phenomenal job!! ADDWC is lucky to have such an invaluable employee. Thank you Tim!!
